# PLAN HIGHLIGHTS AND RATES

**Effective July to December 2010**

**2010 SMALL BUSINESS RATE AREA 5**

# WELCOME TO KAISER PERMANENTE

**On these pages, you'll find an overview of available plan benefits for small businesses. A full listing of all Kaiser Permanente plans and benefits can be found in your 2010 Kaiser Foundation Health Plan *Evidence of Coverage* and your Kaiser Permanente Insurance Company *Certificate of Insurance*.**

## **Why not give them a choice?**

**Keep your employees healthy and happy by letting them choose from a variety of coverage options.**

After all, your company runs well because it values the unique skills that each employee brings to the job. Why not offer them the ability to choose the health care plan that best meets their unique needs—and those of their family members? Now, with Kaiser Permanente, you can let your employees choose the plan with the right balance of options for them.

## **It's a business advantage, too.**

You need a simple solution that provides choice at the right price and is easy to administer. Solve the problem by providing a suite of plans from Kaiser Permanente—including a selection of copayment, HSA-qualified, HRA, deductible, POS, and PPO plans for your employees—with no added expense or effort on your part.<sup>1</sup>

<sup>1</sup>Multiple plan offering rules: Groups with three to five subscribers are eligible to enroll in a maximum of two Kaiser Permanente plans. Groups with six or more subscribers are eligible to enroll in one or more plans. If you include a PPO or POS plan in your multiple plan offering, at least 70 percent of all employees enrolled in the Health Plan must be enrolled in an HMO plan, and combined enrollment in Kaiser Permanente Insurance Company (KPIC) POS and PPO plans must not exceed 30 percent.

Kaiser Permanente plans do not include a pre-existing condition clause.

<sup>1</sup>This plan carries an embedded deductible. Each family member becomes eligible for copayments or coinsurance after meeting the individual deductible, or when the family deductible is satisfied. A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

<sup>2</sup>This plan has an aggregate deductible. For family enrollment, there is only one deductible for the whole family. Once it's met, either individually or collectively, the family pays only copayments and coinsurance for the remainder of the calendar year, or until the family out-of-pocket maximum is satisfied.

<sup>3</sup>The annual out-of-pocket maximum is the limit to the total amount that an individual or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage*).

<sup>4</sup>This service is not subject to a deductible.

Rates are not applicable to groups currently enrolled with Kaiser Permanente. Final rates are contingent upon actual enrollment and review of applications.

### \*Based on maximum allowable charge for covered services

Payments are based upon the maximum allowable charge for covered services. Maximum allowable charge means the lesser of: the usual, customary, and reasonable charges; or the negotiated rate; or the actual billed charges. The maximum allowable charge **may be** less than the amount actually billed by the provider. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

<sup>1</sup>Deductible amounts are combined for services provided by PHCS network and nonparticipating providers. Deductibles do not count toward satisfying the out-of-pocket maximum. This plan carries an embedded deductible. Each family member becomes eligible for benefits after meeting the individual deductible, or when the family deductible is satisfied.

<sup>2</sup>The annual out-of-pocket maximum (OOPM) is the limit to the total amount that an individual (self-only) or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage* and the *Certificate of Insurance*). A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

<sup>3</sup>Covered charges incurred to satisfy the out-of-pocket maximum at the PHCS network level will not be applicable toward satisfaction of the out-of-pocket maximum at the nonparticipating providers level. Likewise, covered charges applied to satisfy the out-of-pocket maximum at the nonparticipating providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network level. Covered charges incurred to satisfy the out-of-pocket maximum at the Kaiser Permanente in-network providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network or nonparticipating providers level. Covered charges at the PHCS network and nonparticipating providers level will not be applicable toward the satisfaction of the out-of-pocket maximum at the Kaiser Permanente in-network providers level.

<sup>4</sup>The family out-of-pocket maximum equals three times the individual out-of-pocket maximum for family contracts of three or more members. Family contracts with two members will require each member to satisfy the individual out-of-pocket maximum.

<sup>5</sup>Maximum benefit while insured is \$2 million combined for services provided by PHCS network and nonparticipating providers.

<sup>6</sup>Scheduled prenatal visits and the first postpartum visit.

<sup>7</sup>Well-child care is covered by Kaiser Permanente Plan providers (HMO) through age 23 months.

<sup>8</sup>Well-child care (ages 0 to 18) is exempt from deductibles from PHCS network providers and includes immunizations.

<sup>9</sup>In accordance with California law, health care plans and insurers are required to offer contract holders and policyholders the option to purchase coverage of infertility treatment (excluding in vitro fertilization). For details regarding this optional coverage, including how you may elect this coverage and the amount of additional rates, please contact your broker or the Account Management Team at 1-800-790-4661.

<sup>10</sup>All outpatient therapies are limited to 60 days per calendar year for services from PHCS network and nonparticipating providers combined.

<sup>11</sup>Kaiser Permanente Insurance Company (KPIC) pays a maximum of \$400 per procedure for outpatient surgery services from nonparticipating providers.

<sup>12</sup>A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments. Nonformulary prescriptions that are not covered as an HMO benefit are underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc.

<sup>13</sup>Participating MedImpact pharmacy copayments and deductibles are not subject to, nor do they contribute toward satisfaction of, the calendar-year deductible or the OOPM. Select prescription medications are excluded from coverage. Please consult your participating pharmacy directory for a current list of participating pharmacies.

<sup>14</sup>Care in a skilled nursing facility is limited to 100 days per benefit period.

<sup>15</sup>Kaiser Permanente Insurance Company pays a maximum of \$600 per day combined for all hospital care received from nonparticipating providers, excluding physician, surgeon, and surgical services.

<sup>16</sup>Visit or day limits do not apply to covered services associated with mental health or alcohol/chemical dependency as described in the *Evidence of Coverage* and the *KPIC Certificate of Insurance*.

<sup>17</sup>Please refer to the *Evidence of Coverage* and the *Certificate of Insurance* for more information. DME is limited to a combined maximum of \$2,000 per calendar year for services provided by PHCS network and nonparticipating providers, excluding diabetic testing supplies and equipment.

<sup>18</sup>Durable medical equipment benefit is limited to \$2,000 maximum per calendar year for services from PHCS network and nonparticipating providers combined, excluding diabetic testing supplies and equipment.

<sup>19</sup>Kaiser Permanente members are entitled to a 20 percent discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts may not be coordinated with any other Health Plan vision benefit. The discounts will not apply to any sale, promotional, or packaged eyewear program, for any contact lens extended purchase agreement, or to low-vision aids or devices. Visit [kp.org/2020](http://kp.org/2020) for Kaiser Permanente optical locations.

<sup>20</sup>Home health care is limited to a maximum of 100 visits per calendar year combined for services provided by PHCS network and nonparticipating providers. Deductible amount is limited to a maximum of \$50 per calendar year.

<sup>21</sup>Hospice care is limited to a 180-day lifetime benefit maximum for services from PHCS network and nonparticipating providers combined.

**\*Based on maximum allowable charge for covered services**

Payments are based upon the maximum allowable charge for covered services. Maximum allowable charge means the lesser of: the usual, customary, and reasonable charges; or the negotiated rate; or the actual billed charges. The maximum allowable charge **may be** less than the amount actually billed by the provider. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

- <sup>2</sup>Out-of-pocket maximums are separate for services provided by PHCS network and nonparticipating providers.
- <sup>3</sup>Maximum benefit amount while insured is combined for services provided by PHCS network and nonparticipating providers.
- <sup>4</sup>Kaiser Permanente Insurance Company (KPIC) pays a maximum of \$600 per day combined for all hospital care received from nonparticipating providers, excluding physician, surgeon, and surgical services.

- <sup>9</sup>All outpatient therapies are limited to 60 visits per calendar year combined for both PHCS network and nonparticipating providers.

- <sup>11</sup>Member is responsible for paying the brand-name copay plus the difference in cost between the generic drug and the brand-name drug when **patient** requests brand-name drug and a generic version is available.
- <sup>12</sup>MedImpact pharmacy copayments are subject to the satisfaction of the calendar-year deductible and out-of-pocket maximum. Drugs prescribed for family planning are subject to the calendar-year deductible. Select prescription drugs are excluded from coverage.

Rates listed are for new Kaiser Permanente contracted employer groups with at least 2 but no more than 50 full-time employees worldwide (working at least 30 hours per week). Rates are not applicable to groups currently enrolled with Kaiser Permanente. Final rates are contingent upon actual enrollment and review of applications.

Kaiser Permanente plans do not include a pre-existing condition clause.

**\*Based on maximum allowable charge for covered services**

Payments are based upon the maximum allowable charge for covered services. Maximum allowable charge means the lesser of: the usual, customary, and reasonable charges; or the negotiated rate; or the actual billed charges. The maximum allowable charge **may be** less than the amount actually billed by the provider. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

<sup>1</sup>Calendar-year deductible amounts are combined for services provided by PHCS network and nonparticipating providers. Deductibles do not count toward satisfying the out-of-pocket maximum. This plan carries an embedded deductible. Each family member becomes eligible for benefits after meeting the individual deductible, or when the family deductible is satisfied. A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

<sup>2</sup>Covered charges incurred toward satisfaction of the out-of-pocket maximum at the nonparticipating providers tier will not accumulate toward satisfaction of the out-of-pocket maximum on the PHCS network tier. Likewise, covered charges incurred toward satisfaction of the out-of-pocket maximum at the PHCS network tier will not accumulate toward satisfaction of the out-of-pocket maximum on the nonparticipating providers tier.

<sup>3</sup>Maximum benefit while insured is combined for services provided by PHCS network and nonparticipating providers.

<sup>4</sup>Kaiser Permanente Insurance Company (KPIC) pays a maximum of \$600 per day combined for all hospital care received from nonparticipating providers, excluding physician, surgeon, and surgical services.

<sup>5</sup>Brand-name drug deductible, copayments, and coinsurance paid for physician office visit or paid for prescriptions filled at participating pharmacies are not subject to, nor do they contribute toward, satisfaction of either the calendar-year deductible or the out-of-pocket maximum.

<sup>6</sup>This service is not subject to a deductible.

<sup>7</sup>Routine adult physical exams are limited to one exam every 12 months and \$400 per calendar year.

<sup>8</sup>Well-child preventive care is exempt from deductibles and includes immunizations.

<sup>9</sup>Kaiser Permanente Insurance Company pays a maximum of \$400 per procedure for outpatient surgery services from nonparticipating providers.

<sup>10</sup>All outpatient therapies are limited to 60 visits per calendar year combined for both PHCS network and nonparticipating providers.

<sup>11</sup>The PHCS network does not contract for ambulance service. Therefore, medically necessary nonemergency ambulance service is payable at the nonparticipating providers level. Nonemergency ambulance coverage is limited to a maximum of \$2,000 per calendar year for all services.

<sup>12</sup>Member is responsible for paying the brand-name copay plus the difference in cost between the generic drug and the brand-name drug when the patient requests a brand-name drug and a generic version is available.

<sup>13</sup>MedImpact pharmacy copayments are not subject to, nor do they contribute toward satisfaction of, the calendar-year deductible or the out-of-pocket maximum. Select prescription drugs are excluded from coverage.

<sup>14</sup>Self-administered injectable medications are limited to a 30-day maximum supply and are not available under the mail-order service. Prescriptions for insulin are covered at the brand-name or generic copayment level.

<sup>15</sup>Combined maximum deductible of \$50 per calendar year

<sup>16</sup>Benefits payable for treatment of infertility are limited to \$1,000 per calendar year combined for services provided by PHCS network or nonparticipating providers. In vitro fertilization is not covered. Benefits payable for diagnosis of infertility will be covered on the same basis as any other illness.

<sup>17</sup>Durable medical equipment benefit is limited to \$2,000 maximum per calendar year for services from PHCS network and nonparticipating providers combined, excluding diabetic testing supplies and equipment.

<sup>18</sup>Diabetic equipment and supplies are limited to infusion set and syringe with needle for external insulin pumps, testing strips, lancets, skin barrier, adhesive remover wipes, and transparent film. Coinsurance amounts are based on actual billed charges and are not subject to the DME annual maximum limit of \$2,000 per calendar year.

# NOTES FOR KAISER PERMANENTE POS AND PPO PLANS

## Precertification of services provided by PHCS network and nonparticipating providers

Precertification is required for all hospital confinements, including preadmission testing; inpatient care at a skilled nursing facility or other licensed, freestanding facilities, such as hospice care, home health care, or care at a rehabilitation facility; and select outpatient procedures. Failure to obtain precertification will result in an additional deductible of \$500 per occurrence for covered charges incurred in connection with these services. This additional deductible will not count toward the satisfaction of any calendar-year deductibles or out-of-pocket maximums.
