Kaiser Permanente plans do not include a pre-existing condition clause.

Preventive services on this plan are available at no cost share. For a complete list of preventive services please refer to the *Evidence of Coverage (EOC)* or businessnet.kp.org.

¹This plan carries an embedded deductible. Each family member becomes eligible for copayments or coinsurance after meeting the individual deductible, or when the family deductible is satisfied. A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

²This plan has an aggregate deductible. For family enrollment, there is only one deductible for the whole family. Once it's met, either individually or collectively, the family pays only copayments and coinsurance for the remainder of the calendar year, or until the family out-of-pocket maximum is satisfied.

³The annual out-of-pocket maximum is the limit to the total amount that an individual or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage*).

⁴This service is not subject to a deductible.

⁵Scheduled prenatal visits

⁶Well-child visits through age 23 months

⁷Prescription drugs are covered in accord with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments.

⁸Please refer to the *Evidence of Coverage* for more information; most DME is not covered.

⁹Kaiser Permanente members are entitled to a 20 percent discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts may not be coordinated with any other Health Plan vision benefit. The discounts will not apply to any sale, promotional, or packaged eyewear program, for any contact lens extended purchase agreement, or to low-vision aids or devices. Visit kp2020.org for Kaiser Permanente optical locations.

Rates listed are for new Kaiser Permanente contracted employer groups with at least 2 but no more than 50 full-time employees worldwide (working at least 30 hours per week). Rates are not applicable to groups currently enrolled with Kaiser Permanente. Final rates are contingent upon actual enrollment and review of applications.

Kaiser Permanente plans do not include a pre-existing condition clause.

*Based on maximum allowable charge for covered services

Payments are based upon the maximum allowable charge for covered services. Maximum allowable charge means the lesser of: the usual, customary, and reasonable charges; or the negotiated rate; or the actual billed charges. The maximum allowable charge **may be** less than the amount actually billed by the provider. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

¹Deductible amounts are combined for services provided by PHCS network and nonparticipating providers. Deductibles do not count toward satisfying the out-of-pocket maximum. This plan carries an embedded deductible. Each family member becomes eligible for benefits after meeting the individual deductible, or when the family deductible is satisfied.

²The annual out-of-pocket maximum (OOPM) is the limit to the total amount that an individual (self-only) or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage* and the *Certificate of Insurance*). A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

³Covered charges incurred to satisfy the out-of-pocket maximum at the PHCS network level will not be applicable toward satisfaction of the out-of-pocket maximum at the nonparticipating providers level. Likewise, covered charges applied to satisfy the out-of-pocket maximum at the nonparticipating providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network level. Covered charges incurred to satisfy the out-of-pocket maximum at the Kaiser Permanente in-network providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network or nonparticipating providers level. Covered charges at the PHCS network and nonparticipating providers level will not be applicable toward the satisfaction of the out-of-pocket maximum at the Kaiser Permanente in-network providers level.

⁴The family out-of-pocket maximum equals three times the individual out-of-pocket maximum for family contracts of three or more members. Family contracts with two members will require each member to satisfy the individual out-of-pocket maximum.

⁵Maximum benefit while insured is \$2 million combined for services provided by PHCS network and nonparticipating providers.

⁶Scheduled prenatal visits and the first postpartum visit.

⁷Well-child care is covered by Kaiser Permanente Plan providers (HMO) through age 23 months.

⁸Well-child care (ages 0 to 18) is exempt from deductibles from PHCS network providers and includes immunizations.

⁹In accordance with California law, health care plans and insurers are required to offer contract holders and policyholders the option to purchase coverage of infertility treatment (excluding in vitro fertilization). For details regarding this optional coverage, including how you may elect this coverage and the amount of additional rates, please contact your broker or the Account Management Team at 1-800-790-4661.

¹⁰All outpatient therapies are limited to 60 days per calendar year for services from PHCS network and nonparticipating providers combined.

¹¹Kaiser Permanente Insurance Company (KPIC) pays a maximum of \$400 per procedure for outpatient surgery services from nonparticipating providers.

¹²A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments. Nonformulary prescriptions that are not covered as an HMO benefit are underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc.

¹³Participating MedImpact pharmacy copayments and deductibles are not subject to, nor do they contribute toward satisfaction of, the calendar-year deductible or the OOPM. Select prescription medications are excluded from coverage. Please consult your participating pharmacy directory for a current list of participating pharmacies.

¹⁴Care in a skilled nursing facility is limited to 100 days per benefit period.

¹⁵Kaiser Permanente Insurance Company pays a maximum of \$600 per day combined for all hospital care received from nonparticipating providers, excluding physician, surgeon, and surgical services.

¹⁶Visit or day limits do not apply to covered services associated with mental health or alcohol/chemical dependency as described in the *Evidence of Coverage* and the *KPIC Certificate of Insurance*.

¹⁷Please refer to the *Evidence of Coverage* and the *Certificate of Insurance* for more information. DME is limited to a combined maximum of \$2,000 per calendar year for services provided by PHCS network and nonparticipating providers, excluding diabetic testing supplies and equipment.

¹⁸Durable medical equipment benefit is limited to \$2,000 maximum per calendar year for services from PHCS network and nonparticipating providers combined, excluding diabetic testing supplies and equipment.

¹⁹Kaiser Permanente members are entitled to a 20 percent discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts may not be coordinated with any other Health Plan vision benefit. The discounts will not apply to any sale, promotional, or packaged eyewear program, for any contact lens extended purchase agreement, or to low-vision aids or devices. Visit kp2020.org for Kaiser Permanente optical locations.

²⁰Home health care is limited to a maximum of 100 visits per calendar year combined for services provided by PHCS network and nonparticipating providers. Deductible amount is limited to a maximum of \$50 per calendar year.

²¹Hospice care is limited to a 180-day lifetime benefit maximum for services from PHCS network and nonparticipating providers combined.

Important notice regarding the \$40/\$2,500 PPO Insurance Plan with HSA Option

This chart is a summary of the benefits for a federally qualified High Deductible Health Plan (HDHP) compatible with Health Savings Accounts (HSAs) in accordance with the Medicare Prescription Drug, Improvement and Modernization Act of 2003, as then constituted or later amended. Enrollment in an HDHP that is HSA-compatible is only one of the eligibility requirements for establishing and contributing to an HSA. Please note: If you have other health coverage, including coverage under Medicare, in addition to the coverage under this Group Policy, you may not be eligible to establish or contribute to an HSA unless both coverages qualify as High Deductible Health Plans.

Kaiser Permanente Insurance Company (KPIC) does not provide tax advice. The California Department of Insurance does NOT in any way warrant that this plan meets the federal requirements.
